

COCKPIT OPTIONS

## NAJAD 395

Designed by Bruce Farr and Ken Freivokh, this new top-quality Swedish cruiser is offered in aft-, and centre-cockpit versions. The former sports a large cockpit with twin helms and an interior featuring three large cabins. The CC model has a well-protected cockpit located close to the centre of gravity and is especially designed for long-distance bluewater cruising. Aft is a large sunbathing deck and a wide bathing platform.
